**RESPONSE TO OFFICIAL ACTION**

Mail Stop Restriction Requirement  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is in response to the Official Action dated September 16, 2003 in this application. In the application, election was required between the species identified as those I-VIII.

In response to this requirement, Applicants elect Species I of Figure 1. Claims 1-5 and 17 are believed readable on the elected species. The requirement for election of species is respectfully traversed and reconsideration is requested.

The election of species requirement is made between those embodiments shown in the drawings of the application. Applicant submits that these embodiments are presented as components of a generic invention and that all species should be considered in this application as part of that generic invention. Accordingly, reconsideration of the election requirement is requested.

10/091,305

It is believed that the above represents a complete response to the Official Action and action on the merits is now believed to be in order.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
